Sir,

The evidence in support of your claim, under the act of June 7, 1832, has been examined, and the papers are herewith returned. The following is a statement of your case in a tabular form. On comparing these papers with the following rules and the subjoined notes you will readily perceive that objections exist, which must be removed, before a pension can be allowed. The notes and the regulations will show what is necessary to be done. These points to which your attention is more particularly directed, you will find marked in the margin with a brace (thus: } ) You will, when you return your papers to this Department, send this printed letter with them, and you will, by complying with this request, greatly facilitate the investigation of your claim.

Dear Madam:

Reference is made to your request for information relative to Revolutionary War soldiers, Jonathan Wall and John Grogan.

Revolutionary War data furnished by this office are obtained from claims made to the United States for pension and bounty land and based on the military service of soldiers in that war. A careful search of the records fails to show such claims on file on account of the service of a John Grogan.

The data which follow were obtained from papers on file in the pension claim, S.9569, based on the military service of Jonathan Wall.

He was born in 1744 in Prince Georges County, Maryland. The names of his parents are not shown.

While living in Wilkes County, North Carolina, Jonathan Wall enlisted early in the Revolutionary War and served about nine weeks as private in Captain Judd's North Carolina company. He enlisted in August, 1781 or 1782, and served about six months as private in Captain Alexander Brevard's company under Colonel Lytle of the North Carolina troops.

He was allowed pension on his application executed November 2, 1832, while residing in Rutherford County, North Carolina. He had previously resided in South Carolina for about forty years.

There are no data relative to the family of Jonathan Wall.
